Hope you approve my Christmas verse,
Acrostic is its name,
Perhaps you think I could do worse,
Poem sounds the same;
You may think it's multi-tasking

Cos some lines run across,
However, before you're asking
Reg adds a little gloss;
Ilove mince pies and Christmas pud,
Season to be jolly;
Turkey first with bread sauce tastes good,
Mistletoe and holly;
And Carol singers at the door,
So who could ask for more ?
